

E Edgar, the housecarl

Imagine you are one of Harold's housecarls.

Help words and ideas

frightened unhappy scared

it is my duty

worried about my family

Harold is our King

I am fighting to protect my country

I have got mixed feelings

we are in a good defensive position

My name is Edgar. I am one of King Harold's housecarls. We are the best soldiers in Harold's army. Tomorrow we may fight against William. This is how I feel tonight.
