

## **Year 10 Environmental Research Project**

### Getting Started

Print this instruction sheet.

Go to the Internet site [www.greenpeace.org.uk](http://www.greenpeace.org.uk)

### Research

Go to the right hand menu

Select the *Campaigns* option

Choose any one of the campaigns listed there

Spend at least 15 minutes reading through the information for that campaign

### Task

Use the information to write a description of the campaign

You should include: What the Environmental Issue is.

What has caused this problem?

How Greenpeace is trying to help.

How successful have they been?

What have they planned for the future?
